

Dear All:

I hope you enjoyed today's talk on Bock and Harnick. As promised, here is material on the songwriting pair. I'd very much recommend the first item, an interview from 2010 with Harnick at the Kennedy Center that includes some great performance of his work with Bock, including a fine song by Richard Rodgers from *Rex*, along with songs we heard from *Fiorello!*

And "Merry Minuet", the satirical song Harnick wrote (words and music) nearly 70 years ago - doesn't seem too out of date.... <https://www.youtube.com/watch?v=OUfUAnqRJTQ>
