## From the Executive Director Anne Wallace

Dear OLLI at AU Members,

I will be retiring from OLLI at AU at the end of June. Thank you all—membership, Board and staff—for affording me this wonderful opportunity. It has been a privilege to serve as your Executive Director and be a part of this vibrant and thriving community of learners. Although we have faced many challenges over the years, we have come out stronger, bolder, and more cohesive. We are one of the oldest OLLIs in the network and have continued a standard for academic excellence second to none. The future is bright, and the sky is the limit, as the following remarks from the Chair makes clear.

I have many new adventures ahead, and I'll be carrying all of you with me. Thank you very much,  
Anne

We welcome our new leaders as of June 1—Tony Long as Executive Director and Mary Fran Miklitsch as Director of Planning—who, supported by Operations Coordinator Jesse Williams and Administrative Assistant Susan Kalil, will take us—OLLI at AU—to new heights.

### *A Tribute to Anne Wallace, Retiring Executive Director*

The names OLLI and Anne Wallace were synonymous for many years. We appreciate Anne's contribution in bringing us to where we are today. Her cheerfulness and enthusiasm are familiar to our members. They define her outgoing personality. Anne came to OLLI (then known as The Institute for Learning in Retirement) in the fall of 2003. At that time there were about 440 members, a budget of about \$165,000, offerings of 50 classes, and only one other full-time employee. OLLI operated out of Temple Baptist Church and other sites.

During Anne's years as *Executive Director*, OLLI relocated to its modern, new home on the AU campus, and renamed itself to more closely identify with AU. She oversaw an increase in the budget to nearly \$1 million, in the staff to 5 full-time employees, in the number of classes offered to more than 90 each semester, and the number of members to more than 1300 each year. In addition, during her tenure, OLLI at AU received from the Osher Foundation what is now over a \$2 million endowment held by AU, and accumulated nearly \$1 million in its Friends of OLLI Fund. This is a record of achievement for which Anne and all of us are justly proud. We will miss Anne and all that she has brought to OLLI at AU.

### *Welcome to Tony Long, Executive Director-Elect*

At this time, we welcome Tony Long as our new *Executive Director* who will begin June 1. Tony joined OLLI five years ago and most recently serves as *Deputy Director*. Tony's leadership at OLLI at AU, especially as *Curriculum Coordinator*—recruiting study group leaders, scheduling classes, and helping to develop a class lottery system—has helped OLLI at AU earn its reputation as one of the premier academic OLLIs among the 120 such organizations nationwide.

Tony brings academic credentials, technical skills, and management expertise to his new position. He has experience serving as an administrator of a small consulting firm, including managing its

If the University is closed for the day, then OLLI is closed and all classes are cancelled for that day.

Whether or not to hold a make-up session and when the session is held is up to the individual Study Group Leader.

*Welcome to Mary Fran Miklitsch,  
Director of Planning-Elect*

We also welcome Mary Fran Miklitsch as *Director of Planning* as of June 1. Mary Fran also has been at OLLI at AU for five years, most recently as *Communications Director*. In her new role, Mary Fran will expand her role in guiding databases, communications, and technology. She brings technology and management experience from prior positions at a trade association, The New England Journal of Medicine, and her own design firm. Mary Fran received her BA from Catholic University and has studied extensively at the Massachusetts College of Art, the Corcoran School of Art, and the Maryland Institute, College of Art. Her skills are evident in our artfully designed publications.

Michael Clark (a.k.a. Clark Fox) has been an influential figure in the Washington art world for more than 50 years. Dividing his time equally between the capital and New York City, Clark was in the middle of the action, making innovative works that draw their inspiration from movements as diverse as Pop Art, Op Art, Conceptual Art, Minimalism, and the Washington Color School.

Join us in the Alper Space for a conversation with Clark, Jim Harithas, former director of the Corcoran Gallery of Art in the 1960s and current director of the Station Museum of Art in Houston, and Paul Richard, art critic for *The Washington Post* from 1967-2009.
