ACADEMIC PROGRAMMING

FALL REGISTRATION IS OPEN!

Registration is now OPEN on the OLLI website for the fall semester (September 26–December 8). Classes are offered online, in-person, and hybrid. In the catalog, each course description lists the format and whether or

not the class will be recorded. Courses meet for a varying length of time (see each study group for the number of weeks). The membership fee (\$300 for the semester or \$550 for both fall and spring) allows you to sign up for three courses before the lottery. After the lottery, when you have received your class assignment letter, you can add a **fourth study group** by logging into your account. **Make sure to register before the fall semester lottery on Friday, September 8.**

IN-PERSON RECORDINGS

For the first time ever, **many in-person fall courses will be recorded** and posted on our website. The recordings will be available to members registered for the fall semester. If an in-person class is being recorded, it is noted in the course description. Each day's recordings are added to the website the following business day. **Please note that whether or not a class is recorded is determined by Study Group Leaders' preferences and the office.**

WANTED: SGR COORDINATORS

For each academic session, SGR Coordinators find and confirm an SGR for each study group. We are looking for a few more volunteers to serve as SGR Coordinators with us on an on-going basis.

We have served in this role for the last two semesters and find the work satisfying knowing that each class will have someone to ensure the class runs smoothly: take attendance, call any absent members after the first class, make announcements, let the office know of any technology/classroom problems, and remind members of feedback and SGL gifts. Both SGR Coordinators and SGRs are key to helping Study Group Leaders concentrate on the subject material and ensuring classes run smoothly.

For more information about being an SGR Coordinator, or if you are interested in volunteering for this role with us, please e-mail olli@american.edu.
