The following bibliography includes useful books only in English, mainly appearing in the last twenty years. It is meant to provide a "starting point" for those interested in researching Ancient Egyptian topics. The books included on this list are on a variety of different reading levels and are likely to appear in school or local public libraries. General information on many of these topics can also be found in encyclopedias.

Arts and Crafts

- Arnold, Dorothea (1999) *When the Pyramids were Built.*
