## WELCOME TO THE "NEW NORMAL"

What a difference a year makes. On March 2 of last year, spring semester classes at OLLI at AU began normally. Over the next several days, more than 1100 members participated in 93 classes, mingled in our social spaces, dropped by our offices, and experienced the joy of parking in the basement. A week later, the classrooms were empty, and the social space and offices closed as we switched to remote operations via a not-then-widely-known technology named Zoom. Some SGLs cancelled courses because they were uncomfortable with the new technology or felt it would not work well with their courses. Some members withdrew from classes for similar reasons. However, by the time the June Minis and July Shorts rolled around, we—SGLs, members, and staff—were getting our technological footing.

By the end of the fall semester, operating remotely had become not only our New Normal, it actually seemed normal.

Now, as we approach the coming fall semester, we are moving toward yet another New Normal, one that will itself evolve over the academic year. The biggest and most exciting change, of course, will be the return to some in-person classes and other activities. As you will see, we are offering a mix of in-person, hybrid (a combination of in-person and Zoom) and Zoom-only classes. By next February and spring, the large majority of our classes will be in-person and hybrid. We can't wait to see our OLLI friends on campus, but we know that Zoom is an important part of our program now and in the future. SGLs and members who have mobility concerns or who move away from the Washington area can still offer courses or attend some classes here. Thanks to Zoom recordings, members can now view classes or lectures they missed or other classes that interest them. A planned permanent library of selected class recordings will provide a treasure trove of the "Best of OLLI" over the years. In short, we are in many ways a different OLLI from a year or even six months ago, an ironic benefit of the pandemic. The "New Normal" is here to stay even as it continues to change.

We are therefore doubly excited about the fall semester, not only for what we consider to be a very rich list of offerings, but also to see how our experimental trifecta of formats works. We hope you are excited as well. To accommodate your preferences for the different formats available, we have revised the registration process to give you more options (see page 7 for details). Lottery day is September 7. We look forward to receiving your feedback during and at the end of the semester. Meanwhile, we want to extend strong thanks and congratulations to our SGLs, members of the Curriculum Committee, and OLLI staff who have worked so long and hard to bring all these parts together.

In conformance with American University policy, any person attending Fall 2021 OLLI-related classes or events in any AU facilities, must be fully vaccinated, with certain medical and religious exemptions.

## WHAT IS OLLI AT AU?

---

Drawing on the talent and experience of seniors in the Washington, DC area, the Osher Lifelong Learning Institute (OLLI) at American University offers a unique opportunity to continue learning at the university level. Members come from varied social, economic, and career backgrounds, ranging from business, academia, and homemaking to education, the arts, and government service. What they have in common is a genuine interest in continuing their learning experiences and intellectual stimulation by participation in an organization with other “seasoned learners.” There are no educational prerequisites for membership in OLLI.

### Learning Community

The basic concept of the program is that of peer learning and teaching designed specifically for people who are 50 years of age or older. Members participate fully in study groups through preparation for, and involvement in, discussions on a wide variety of subjects. There are no tests and no grades; members participate purely for the joy of learning. Members are encouraged to discuss the possibility of leading a study group with members of the Curriculum Committee and by participating in our Study Group Leader Training Orientation.

### Membership Involvement

Members become involved not only as study group leaders or representatives but also as participants on an elected board and appointed committees. As a democratic membership organization, OLLI depends on the volunteer services of its members. Members are strongly encouraged to participate in one or more of the following:

The **Board of Directors** and its various **committees** develop and implement policies, procedures, and activities designed to enhance the overall program.

**Study Group Leaders (SGLs)** are members with special expertise or interests who wish to share these with other members by designing and leading study groups. They are entitled to free classes during the semester they lead a group or the following semester.

## HOW IS OLLI AT AU ORGANIZED?

---

OLLI at AU is an independent, 501(c)(3) nonprofit organization incorporated in Washington, DC, and is part of the Osher Lifelong Learning Institute National Network, which now includes 125 Institutes in all 50 states and the District of Columbia. **For the 2021 Fall semester, we will offer classes in three formats: in-person, online, and hybrid (SGL and some members in-person with other members participating online.)**

### Support of OLLI at AU

Membership fees (\$270 this semester) support the program. OLLI is further supported by an endowment from the Osher Foundation given to, and managed by, American University. OLLI receives a percentage of the interest from the endowment annually to assist in funding OLLI’s operations.

The Friends of OLLI Fund, established by the Board of Directors, is a reserve fund helping OLLI maintain affordable tuition, expand and enhance its physical facilities, and develop innovative and diverse programs.

# THE ABCs OF OLLI

## Accessibility

OLLI is making every effort to accommodate members. The building is accessible. We provide documentation in large print format, ask our Study Group Leaders to turn on captions for all videos, and continue to research Zoom and its third-party providers to identify plug-ins to aid accessibility. Please contact the office if you need help in accessing classes or materials.

## Adding or Dropping Study Groups

Members may add, drop, or change study groups through the second week of a semester.

# INTRODUCING HYBRID CLASSES

With the Fall semester, OLLI is offering classes in three formats: Online Only, In-Person Only, and Hybrid. In hybrid classes, the SGL and some members of the class are in-person while other members participate via Zoom. In the catalog, each course description lists the format. When registering for a hybrid class, you must select whether you want to attend in-person (Hybrid In-Person) or by Zoom (Hybrid Zoom). List both formats if the class is a priority and you're willing to attend either format. Given the greater number of options, you can now prioritize up to 12 classes for the lottery, instead of just six. As always, the lottery will then assign you to up to three classes.

## REGISTRATION PROCESS

**Registrations are due by 8:00 AM Tues., Sept. 7, for the Fall Lottery.** Class sizes are determined by Study Group Leaders' requests, classroom capacity, and the office. If a study group is oversubscribed on Lottery Day, registrations in that class are subjected to a random, computerized lottery. Members who are not selected for said study group are put on the waiting list and will be emailed by the office if space becomes available. **Class assignment letters will be emailed by Thurs., Sept. 9.**

We will continue to accept registrations on a space-available basis until the semester begins. **OLLI reserves the right to cancel any study group. Members registered in a study group that is cancelled will be notified immediately so that they may select an available alternate.**

## JOIN OLLI AT AU

You may join OLLI, pay for membership, register for study groups, and donate to OLLI, all at once. To do so, complete the form on the following pages. Mail the form to the address on the form with a check made payable to OLLI. Or register online at [www.oli-dc.org](http://www.oli-dc.org) to pay with a credit card in an encrypted, secure transaction.

To register, you will need to create a user account. Follow the steps below to do so.

**1.** Go to <http://www.OLLI-DC.org>

Click on "Membership" in the menu at the top of the page.

A submenu appears. Click on "Join OLLI."

**2.** A new screen appears titled "Join OLLI." Click on "create an account" in the first paragraph.

Username \_\_\_\_\_

Password \_\_\_\_\_

**4.** Follow the instructions under Register for Study Groups.

## REGISTER FOR STUDY GROUPS

1. Identify the number of study groups you are interested in taking. **You must select 1, 2, or 3.**
2. **Prioritize up to 12 study groups** based on your preference for taking the study groups.  
(1 = highest priority and 12 = lowest priority).

If the class is hybrid, be sure to include your desired format, in-person or online. If you are willing to attend either in-person or online, be sure to list each format for the class. See the example on the registration form.

Note: Prioritize your study groups by whichever method works best for you: subject matter, time/day, location, or Study Group Leader. Even if you mark that you only want to take one study group, you may still prioritize up to 12 study groups. When the system processes your registration, it will assign you to your highest priority study groups that are available.

**Note:** All members have an equal chance at getting into a class. There is no restriction if a member has taken a Study Group or Study Group Leader previously.

3. Submit your registration.
4. You will receive email confirmation of your **pending** registration.
5. After Lottery Day, you will receive by email **your class assignment letter.**

Through the second week of classes, you can change your schedule online or by emailing the office.

**You may register online for a fourth course AFTER you have received your class assignment letter.**

**Study group leaders spend a prodigious amount of time preparing their classes. Please attend the classes for which you are registered and only the classes for which you are registered.**
