## Coming Soon: Election of Board Members

**The Process.** In late spring, members will elect four Board members. Under OLLI's newly revised Bylaws (December 2018), a five-member Nominations and Elections Committee comprised of both Board and non-Board members will consult with OLLI members, in particular Board members and Committee chairs, and prepare a list of four nominees for Board approval that will be placed on the ballot.

In addition to the Board-approved list, members can self-nominate and run as "at-large" candidates with a petition signed by at least 10 OLLI members. All candidates, whether on the list or at-large, run as individuals, with the top four vote-getters being elected. At-large candidates should contact the Office to obtain the petition form and instructions on how to submit.

**Responsibilities.** In brief, the responsibilities of Board members are: attend Board meetings (usually no more than ten a year), actively participate in other meetings and activities involving OLLI business, support OLLI's development efforts, and, although not required but strongly encouraged, support the OLLI committee system by serving as chairs or as members. Members are elected for three-year terms and are limited to two terms except in exceptional circumstances. For more details, click [here](#).

**Timeline.** Following is a list of key dates and deadlines in the election process.

- *Mid-January.* The Nominations and Elections Committee begins consultations with members to develop a list for candidates for Board approval. Interested members are also invited to recommend names directly to the Committee along with a brief paragraph on the candidate's background and qualifications and your reasons for supporting them. Send recommendations to [olli@american.edu](mailto:olli@american.edu).
- *February 4.* Deadline for interested members to submit recommendations to the Committee.
- *March 15.* The Board's approved list of candidates is sent to members.
- *April 8.* Deadline for at-large candidate to submit self-nomination petitions, complete with 10 supporting signatures, to the Office.
- *April 26.* OLLI annual meeting. Each candidate will be allowed 2-3 minutes to address the group.
- *April 26 - May 10.* Online voting takes place.
- *May 13.* Results of the election are announced.

**Kick-Off For Online Discussion:  
World Survival And Optimization**

**Reminder:** *Preservation and Enhancement of Human Existence* - Kick-off for online discussion on **Monday, February 11 at 4801 Mass Ave NW, in Room A, starting at 11:00 AM.** To RSVP, click [here](#). This online discussion on the 17 Sustainable Development Goals of the UN runs from Saturday, February 9 to Sunday March 3.

At the kick-off session, there will be a briefing on the Sustainable Development Agenda, introduction of discussion topics and demonstration of the logistics of the online discussion, followed by an informal lunch with the discussion leaders. It is not necessary to attend the kick-off in order to participate in the online discussion.

The 17 Sustainable Development Objectives deal with the real problems and opportunities of the world, and our online discussion promises to be a learning opportunity with respect to our real life situation and the possibilities for optimizing the position of humanity at a time when many in the United States stagnate in a dream world of willful ignorance. The discussion will allow us to draw on the expertise and wisdom of OLLI members about practical solutions to existential challenges faced by a growing world population (7.5 billion projected to be 9.5 billion by 2050). Some intriguing questions likely to be discussed:

- Has globalization outlived its usefulness?
- Could fully enabling and empowering women eliminate poverty?
- How could democracy be tailored to make it the best form of government for social and economic development?
- Are there viable solutions to meet worldwide needs for food, clean water, and sustainable energy?
- What are the best approaches to education and training for human survival and fruitful lives, and why?

For more information on this discussion, please click [here](#).

## **OLLI and IAP Buddy Network**

OLLI is continuing its attempt **to connect IAP international graduate students with interested members to foster understanding about cultures, career, and beyond.** AU-IAP graduate students are paired (matched) with participating OLLI members according to common interests. The pairs are introduced at a Meet-and-Greet event early in the semester. Each pair ideally meets once a week at times and places convenient for both until the Final Celebration at the end of the semester. **Our goal is to promote connection, conversation, and cultural**

**exchange.** We are beginning our third semester of this program and currently have 20 participating OLLI members. Our goal is to expand that number for the spring semester. **If you have experience or an abiding interest in connecting with international students, please contact Jeanne Kent at [jeannes.kent@gmail.com](mailto:jeannes.kent@gmail.com) for more information.**

## Calling All Study Group Reps!

As you register for your Spring study groups, please consider volunteering to serve as Study Group Representative (SGR) for one (or more!) of your study groups. SGRs play an integral role in helping to ensure each study group runs smoothly. **Duties include: taking attendance; making announcements from the class folder; collecting any photocopying charge; notifying the office of problems with technology, temperature, or light; calling members who are absent from class for more than two consecutive sessions; and collecting the class gift/distributing the card.**

OLLI will be having a **meeting for all new Spring SGRs on Wednesday, February 27 at 10:00 AM.** New SGRs are highly encouraged to attend. Previous SGRs are welcome to attend if they would like to get clarification about the role or ask questions. More information to come.

## Welcomers Needed

After a successful first-ever OLLI Welcomer program in the Fall (over 200 new OLLI members were welcomed!), we've decided to continue it in the Spring semester. We are still in need of a few more volunteers for the program. **Welcomers ensure that each new OLLI member is individually welcomed with a phone call before the start of classes and touch base with new members by email during the semester and at the end, to see how it went.**

If you would like to be a Welcomer, you can select that volunteer role on the website when registering for the Spring semester or visit our *Volunteer* page [here](#). Or, you can send an e-mail to [olli@american.edu](mailto:olli@american.edu). We will review the responsibilities at a meeting on **Thursday, February 14, at 10:00 AM in Room A on the first floor.** We encourage anyone interested in serving as a Welcomer for the first time to attend the meeting. Previous Welcomers are invited to attend as well.
