## 2021 Summer & Fall Music-Theatre Group

Alliance for New Music-Theatre is pleased to announce that we are re-launching our "Live & About" series in collaboration with OLLI. This program, which was added to OLLI classes in 2018, was interrupted in the spring of 2020 due to the pandemic.

Until we can meet again in person and attend live music-theatre performances in the DMV, we hope you will rejoin Alliance for New Music-Theatre as we re-emerge this spring with our new digital line up of Short Gems.

On a monthly basis, starting in June, we will feature the six Short Gems videos on YouTube. Following the viewing period, we will host an on-line discussion for each work with two options for joining on a weekday evening or weekend. These discussions will further explore the intent of the work, often with the artists or invited guest who may have a special relationship with the featured artist's work.

**Click [here](#) for more information and to register. The registration deadline is Friday, May 28.**

## STEM Survey

OLLI at American University was invited to participate in a National Science Foundation research project by one of our OLLI colleagues, the Osher Lifelong Learning Institute at UC Berkeley. We reviewed this request and agreed to present the opportunity to our members. The following is your invitation to participate, which is entirely voluntary.

## **INVITATION TO PARTICIPATE IN A RESEARCH STUDY**

You are invited to participate in a research study that is being conducted by a team from University of California Berkeley; OLLI @Berkeley, the Fung Fellowship, and the Lawrence Hall of Science. Jennifer Mangold PhD, the Director of the Fung Fellowship, is the Principal Investigator.

More information is included below. If you have any questions, you can contact Jennifer at [\\*\\*\\*\\*\\*@\\*\\*\\*\\*\\*.\\*\\*\\*](mailto:*****@*****.***), or Sarah Olsen at [\\*\\*\\*\\*\\*@\\*\\*\\*\\*\\*.\\*\\*\\*](mailto:*****@*****.***).

## **STUDY PURPOSE**

The purpose of the study is to develop new methods for measuring participation, engagement and STEM advocacy among older adults.

## **WHAT AM I BEING ASKED TO DO?**

You are being asked to participate in a SURVEY about STEM advocacy. The survey asks about your attitudes and dispositions toward STEM advocacy, your likelihood to engage in certain advocacy behaviors, and your background related to STEM. Participation is completely voluntary.

- **Confidentiality:** The survey is anonymous; no personally identifiable information (e.g., your name) is connected to the survey data either directly or through a coding system.
- **Study Time:** Your participation will take approximately 15 minutes.
- **Study Location:** Your participation is entirely web-based; you will respond to the survey online using the attached link and submit it when finished.
- **Compensation:** You will not be paid for participating in this study.
- **Benefits:** There will be no direct benefit to you for participating in this study; however, it is hoped that the information gained will aid in the development of tools to measure the impact of older adult participation in STEM learning experiences.

## **LINK TO SURVEY**

This [link](#) will take you to the SURVEY that includes:

- A consent form that includes further information about the study and will ask you to agree to participate in the research study.
- The SURVEY itself, which contains questions related to your background, your attitudes and dispositions toward STEM advocacy, and your perceptions of likelihood to engage in certain advocacy behaviors.

Thank you for considering participating in the research study.

## **Virtual Tour of the Jewish Community of Rome**

**Virtual Tour of the Jewish Community of Rome, Italy**

**Tuesday, May 25**

**3:30-4:30 PM, via Zoom**

The Jewish Community in Rome, Italy, is the most ancient residing outside of the Holy Land. The first migrants came as merchants to this most important city of what would eventually become the

Roman Empire, and stayed through the centuries, witnessing and participating in events that shaped European history, world history and the history of the Jewish people. Join OLLI for a tour through their history and the places they lived.

We are pleased to offer this virtual event through a partnership with the Italian tour company Casa Mia. Priscila Corti, a native Roman, will be our professional guide for this upcoming adventure. It should be a great time as we make our way through the city of Rome following in the footsteps of this ancient community.

**Register. Tickets are only \$5.** Limited to the first 300 persons that register. A Zoom link will be emailed the morning of the event to all registrants. Tickets must be purchased by Monday, May 24, 8:00 A.M. Refunds are available only if the event is cancelled. **When registering, you must check the box, "Refunds are available only if the event is cancelled" in order for your payment to be processed.**

*Keep an eye out for our next Casa Mia offering in June when Eleonora Baldwin, celebrity, bilingual journalist, and gastronome, takes OLLI on a culinary and cinematic tour of Rome!*

## 2021 Bloomsday by OLLI

This year's Bloomsday Celebration will take place on **Wednesday, June 16 from 3:30 to 7:00 PM.** This Zoom event will feature live readings and a film screening. The readings will be passages from James Joyce's *Ulysses* paired with passages from his other works. These "twins" will be linked on the basis of what they have in common (such as subject matter or character) and distinctive differences (such as time, geography, style, point of view, emotion). This linking will enable us to track developments in the lives of Joyce and his characters. , The contrasts between passages will bring into relief his multifaceted writing talents.

We are looking for readers for the celebration. **If you would like to be a reader, please contact Bob Kolodney at [\\*\\*\\*\\*\\*@\\*\\*\\*\\*\\*.\\*\\*\\*](mailto:*****@*****.***).** Registration information will be provided closer to the event date.
