## **Support What You Love**

Within the next few days, you will receive an email from Martha Cutts, Chair of OLLI's Development Committee, reminding you of our fall fundraising campaign and directing you to our website where you can contribute. Martha's email will also provide useful information on how to enjoy possible tax benefits by contributing directly from your IRA. Please read it carefully.

For those of you who have already contributed, thank you. For those of you who have not yet done so, I hope you will take this opportunity to give back to an organization—your organization—that gives us so much. Each week, more than 1,100 of us meet in 90-plus stimulating classes to explore and share new ideas and experiences—a labor of love by 104 committed, volunteer Study Group

Leaders. Yet, each year, only 24 percent of us donate to OLLI—to maintain our quality offerings, pay our bills (membership fees cover only about 80 percent of our operating budget), and position ourselves for the future (we love our space but we are tenants, not owners, affiliated with a university that has space problems). Let us work together to keep our shared OLLI experience vibrant and resilient. [Please support our annual fund drive now.](#) Any amount is appreciated and every contribution is valuable. Let's push past that 24 percent!

John Bargeron

## Fall SGL Gifts

All of OLLI's Study Group Leaders are volunteers. Each academic session, we invite members to give them a gift in honor of all of the work they do to prepare and deliver their courses. This is completely voluntary on our members' behalf. Members may make a gift to Fall SGL(s) through December 17. Gifts can be made [online](#) or by mailing a check to OLLI. Members can give gifts to all of their Study Group Leaders in a single form and with a single credit card transaction. The OLLI office will collect all gifts, write a check to each SGL, and mail the check with any notes from members to the SGL(s).

## Daylight Saving Time: November 7

Members are reminded that Daylight Savings Time begins Sunday, November 7, at 2:00 AM. Please adjust clocks and watches accordingly.

## Feedback Pop-Up at the End of the Last Zoom Class

This semester, at the end of each study group's last session (over Zoom), a screen will pop-up inviting members to complete final feedback for the course. The more feedback we receive from members, the better. Feedback provides valuable information to improve current and future courses. In the pop-up, click on **Continue** and you will be taken to the feedback form on the OLLI website.

## Virtual Tour Series: Heart of DC - Part 2

### ***Virtual Tour Series: The Heart of DC - Part 2***

**Tammy Belden**

**Tuesday, November 9**

**3:30-4:30 PM** (via Zoom)

Join OLLI for a second virtual tour in a series of illustrated talks, led by Tammy Belden, on our capital’s “historic center” and its most iconic memorials and sites.

In July, we began with the western end of the National Mall covering such sites as the Lincoln, Viet Nam Veterans, and Korean War memorials. We now progress down the Mall to its center: the Washington Monument, the White House, and the Jefferson, discussing smaller and lesser known spots along the way. Did you know that the White House was originally considered riverfront property; that the Washington Monument is sited approximately 390 feet from its original planned location; and that the original statue in the Jefferson Memorial was made of plaster painted a bronze color? Although you may already be familiar with many of these facts, we will cover some controversies, engaging anecdotes, and facts that you may not have heard!

**No registration is required. The Zoom link will be emailed to all members the morning of the event.**
